

30 DAYS OF

Living the Vision

Week of February 15, 2021

MONDAY

Prayer Focus: Pause to reflect on the ways God has invited you to be apart of the redemptive work he is doing in our world and give God thanks for the blessing of serving others.

Invitation: Go to kcnnewhope.org/blog or our New Hope Facebook page to watch and participate in a guided prayer.

TUESDAY

Use one of the cards included in the kit and write a note to a neighbor. Pick one that you either don't know or haven't seen in awhile and share a simple word of encouragement and blessing as we venture together into 2021.

WEDNESDAY

Prayer Focus on this Ash Wednesday: As we are entering into the Season of Lent, take time today for reflection, repentance, and fasting. Write your thoughts out in the form of a prayer to God.

Morning Invitation: Connect to our 5:00 am prayer time and begin the day with a time of prayer.

Evening Invitation: Connect to our 6:00 pm Ash Wednesday Service either on kcnnewhope.org or our New Hope Facebook page.

THURSDAY

Reflect on the significance of growth, both in our maturity as Christians and in the ways in which we engage in the Great Commission, being the evidence of a disciple of Jesus. How are you being intentional about maturing as a Christian? In what ways are you engaging in the Great Commission. Do not let the enemy twist this time of reflection into an exercise in shame, but be honest both about where you are and where God might be leading you to grow next.

FRIDAY

Prayer Focus: Pray for those who serve our church in the broader context of our denomination. Pray for wisdom, discernment, courage, and strength for the important work they do: KC District Superintendent, USA/Canada Regional Director, our General Superintendents

Invitation: Go to kcnnewhope.org/blog or our New Hope Facebook page to watch and participate in a guided prayer.

SATURDAY & SUNDAY

Use the weekend to reflect on what Love God, Love Neighbor, and Love Like Christ looks like in your life and pick a way to engage with one or more aspects of our church's vision.
